## TO ALL WHOM IT MAY CONCERN.

I AM happy to state to the public that all the  
Government and Private marked, half-tanned,  
rotten Leather, has been removed from my yard  
by order of Capt. Rhett, and through Mr. B.  
Holman to some place unknown to me, and now  
my yard is in full operation, and has been  
cleansed from all impurity which has infected it  
for the last two years. I now invite all of my  
old customers to send their hides to sell or ex-  
change for leather, or to be tanned and dressed  
on shares, and I will assure them there is no  
danger of cholera. I will pay the highest price  
for hides and tallow, also, I want 600 cords of  
Tan Bark, for which I will pay more than any  
other Tannery. Call and see me before you  
make contracts for bark.

## NEWBERRY

Female Collegiate School.

THE SPRING SESSION of this School will be-  
gin on the 12th day of February next. It  
is very desirable that pupils should enter at the  
commencement of the session, but they will be  
received at any time, and charged from the time  
of entering.  
This school has been taught by me for several  
years, and has hitherto been limited in the num-  
ber of scholars, but I will now receive a large  
number of pupils, and will employ competent  
assistants, as the increasing number of pupils  
may make it necessary to do so.  
My health having been fully restored, I propose  
to devote all my time and energy to the building  
up of such a school as shall furnish facilities for  
acquiring a complete education to girls who can-  
not be sent from home for that purpose, and all  
the advantages of the best schools in the State  
to those whose circumstances allow of their being  
sent abroad.

Having many years' experience as a teacher,  
the system of instruction pursued will be such  
that extra time has proved to be most efficient  
and thorough.  
My charges are as follows:  
For instruction in the higher studies of a com-  
plete English course, for session of five  
months, \$25 00  
For instruction in lower branches of English,  
for session of five months, from \$15 to \$20 00  
For instruction in French, German, Italian,  
each, \$20 00  
Board can be had for at least \$15 00 per  
month, exclusive of lights and washing. I am  
prepared to take a number of boarders in my  
family, at the above rate. My house is large,  
roomy, and comfortable, in a retired part of the  
town, and has attached to it a fine shady grove,  
affording ample room for recreation. The above  
rates for tuition and board are payable in specie,  
or its equivalent in currency, or provisions at  
market prices. For further information address
